A mighty interestin' crittor. We had one on 'em down our way A speil ago. He was a poot— Leastways folks said so—though I swow I never seen a thing to show it! He was a simple sorter stick; An' though he made the gals all titter, Somehow I kinder liked the fool,

An' studied up the cur'us critter. He liked it on the farm, an' tuk A powerful interest in the flocks an' Herds, an unter, so Sul says, Write lays to hens and odes to oxen, (Though what he owed 'em 1 can't see); She read 'em when she swept the litter, An', though I liked him, Sal she said He really warn't a Christian critter.

He warn't so smart as some, perhaps; The boys all thought him chicken-hearted Because he was so gentle like, But once they got his dander started-The time they skinned the cat alive; He walked right in, wal, I should twitter An' just missed skinnin' them alive. The queer and contradictious critter.

He never did a stroke o' work, O, but he was almighty lazy! He just 'nd set an' write an' spile Paper enough to drive you crazy; We'd hear him talkin' to himself, An' see his great big eye-balls glitter, A genius is a harmless critter.

What's that you say? He's writ a book? An' sold it, too? Wal, now, Inever! An' goin' to make his fortune, sure? Wal, dum it, now! But did you ever? If Sal'd had sense they might a hitched. But then somehow he never hit her; An' who in thunder'd ever think A genius such a likely critter! -Boston Globe,
